

REMARKS

Reconsideration of the application as amended is respectfully requested.

The rejection of Claims 10 and 11 were overturned on appeal before the Board of Patent Appeals and Inferences. The present amendment cancels all remaining claims, and rewrites Claim 10 in independent format. Claim 11 continues to be dependant upon Claim 10.

Therefore, in view of foregoing amendments and clarifications, the applicant submits that allowance of the present application and all remaining claims, as amended, is in order and is requested.

Respectfully submitted,

A large, stylized handwritten signature in black ink, appearing to read 'John D. Gugliotta', is written over the typed name and registration number.

John D. Gugliotta, Esq.
Registration No. 36,538
